

# CONFERENCE

## *Extradition in International Law: Challenges and Solutions*

Please join our eminent panel for an engaging conference addressing the key themes in extradition in international law including:

- State immunity from extradition
- The duty to prosecute or extradite under the Rome Statute
- The practice of the Amsterdam Court's Extradition Chamber
- Co-operation issues in surrender to the International Criminal Court
- The (non-)extradition of nationals and the impact on the progress of war crimes trials

**4 NOVEMBER 2021**
